

Specification

Model	HIOT-TW02-2CH
Input Voltage	110V-240 V 50/60Hz
Max. Current	10A
Max. Load	600W/Gang
1/2/3 /4gang	Optional
N+L/L	Support Both
Wireless Frequency	WIFI 2.4GHZ, 802.11 b/g/n
RF433	Support
Only WIFI connection	No BL
Standby Power	<0.5W
System Supported	IOS/Android
App Name	Application "hiviewIoT"
Materials	PC V0+ Toughened Glass Panel
Product Size	(L) 118*(W)72*(H)35 mm

HIOT-TW02-2CH

Features

- * WIFI direct connection to internet, easy to use
- * Setting a schedule or timer on / off your
- * Remote control on Smartlife App via 3G / 4G / WiFi
- * Works with Amazon Alexa / Google Home
- * APP control / Voice control / Switch touch control
- * Scene function for automation control
- * Real-time status displays on App
- * Share function with family members
- * Tempered glass is sensitive to the touch of control, premium durable glass material provides up to 20 million touch figures through our rigorous testing. It is water-proof, Damp-Proof, Resists Scratches.
- * Support RF 433 Remote Control (RF Code: EV1527)

Application
hiviewIoT
