

## HV-H10

### Product Features

- \* HD visual intercom
- \* Remote control switch
- \* Query device call records
- \* Customizable button names on video interface
- \* Video linkage with multi-screen monitoring and listening function
- \* Built-in Wi-Fi and Bluetooth enable access to wireless networks, pairing with Bluetooth headsets or mobile phones, freeing users from the constraints of desks and significantly enhancing flexibility. It can also provide wireless hotspots for mobile devices such as mobile phones/PADs.
- \* Supports HDMI auxiliary input and HDMI dual-screen expansion, as well as USB 2.0 expansion.
- \* Equipped with a powerful hardware core and the latest audio and video processing technology, it supports Opus encoding and 1080P HD dual-stream, providing users with an immersive HD video communication experience.
- \* Eliminating physical keyboards, the entire device features only a multi-function hands-free button and adopts an HD multi touch capacitive screen, offering a smooth experience akin to that of a smartphone. It also comes with adjustable brackets and cameras for a comfortable experience.
- \* HD Touch Screen: 10.1-inch, 1280\*800 pixels IPS HD screen with multi-touch capability, creating a smoother operation experience.
- \* Magnetic induction design: The cradle and home button adopt magnetic induction design for higher reliability.
- \* Safer Camera: An 8-megapixel, 210-degree rotatable wide-angle camera with backlight imaging capabilities.

# HD visual intercom

## Specification

## Model: HV-H10

Processor	A55 Quad-Core
Operating System	Android 11
Sensor	500W (Optional)
Adaptability	LAN/WAN
Video Compression	H.264/30FPS
Audio Input	Gooseneck Microphone
Screen Size	10.1-inch, 1280*800 PX, IPS touch screen
Network Protocol	TCP/IP, DNP
Network Port	10M/100M/1000M
WLAN	G, IEEE802.11b/g/n, supporting AP and WLAN functions
Memory Card	1 Slot, Supporting MicroSD (TF)
HDMI Interface	1xHDMI-out
USB Interface	2 USB 2.0 ports, supporting USB flash drives, headphones, keyboards, and mice
Power Adapter Input	AC100~220V
Power Supply	DC12V/1.5A
Power Consumption	<10W
Material	Capacitive Touch
Appearance Dimensions	168.6mm×320mm×50mm
Operating Temperature	-20°C~55°C
